How To Guide for Seesaw

Follow these steps or [watch a video](#)

CLASS	**STEP 1:** Download or update the *Seesaw Class app (this is different to the family app)* on your device or go to app.seesaw.me to get started. *App update is required.* This is where students will upload work and complete activities in Term 2. Please use the **Seesaw family app** to communicate with your child's teacher as a parent.
	STEP 2: Click '**I'm a Student'** to log in with your Home Learning Code.
	STEP 3: Enter your Home Learning Text Code or scan your Home Learning QR Code when you see this page.
	STEP 4: Once logged in, you will be in your student journal where you can create posts, complete activities, and see Announcements from your teacher.
Activities	**STEP 5:** To see activities from your teacher, tap the Activities tab (*on the right side under class name*).
	STEP 6: Scroll to find specified task.
Add response	**STEP 7:** Click '**Add Response'** to respond.
	STEP 8: Always press the green tick to save work to your journal.
Inbox	**STEP 9:** To see Announcements from your teacher, tap the inbox tab (*on the right side under class name*)
