

Joining a Zoom meeting for the first time on a Chrome Book

Start your Chrome Book and log in. It should open a Chrome browser page for you.

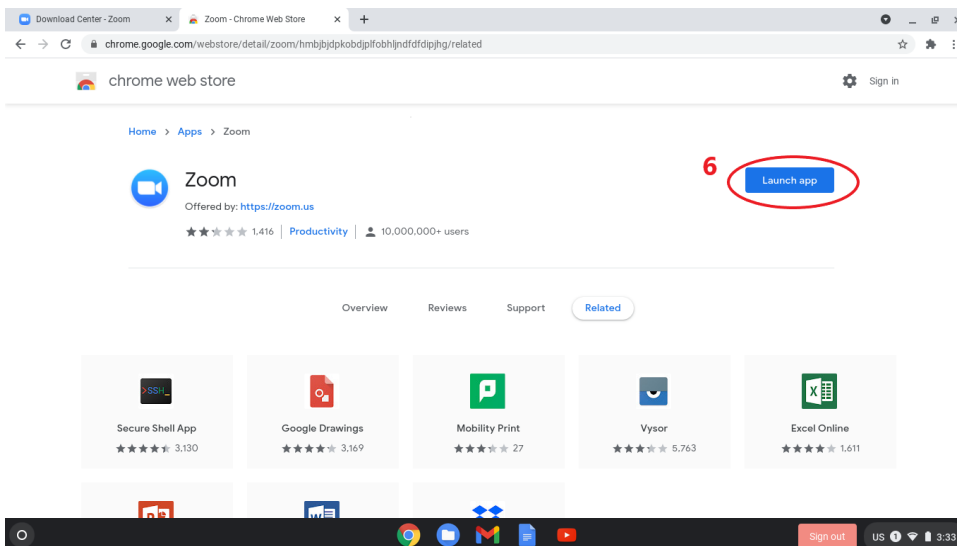

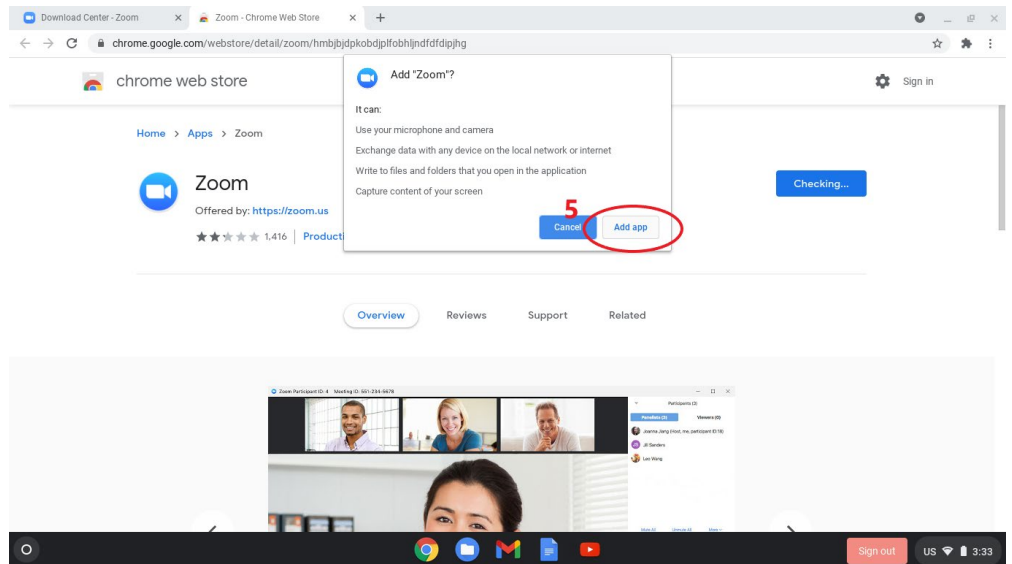

- 1 Type nsweducation.zoom.us in the address bar and press enter.
- 2 Click on 'Download client' at the bottom of the page. You will probably have to scroll down.

3 Select 'Download'

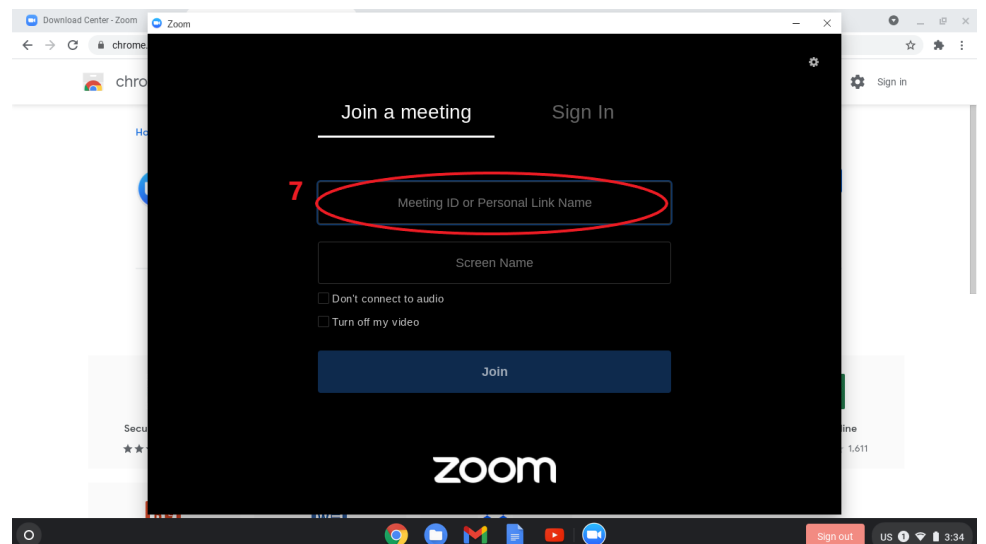

4 Select 'Add to Chrome'

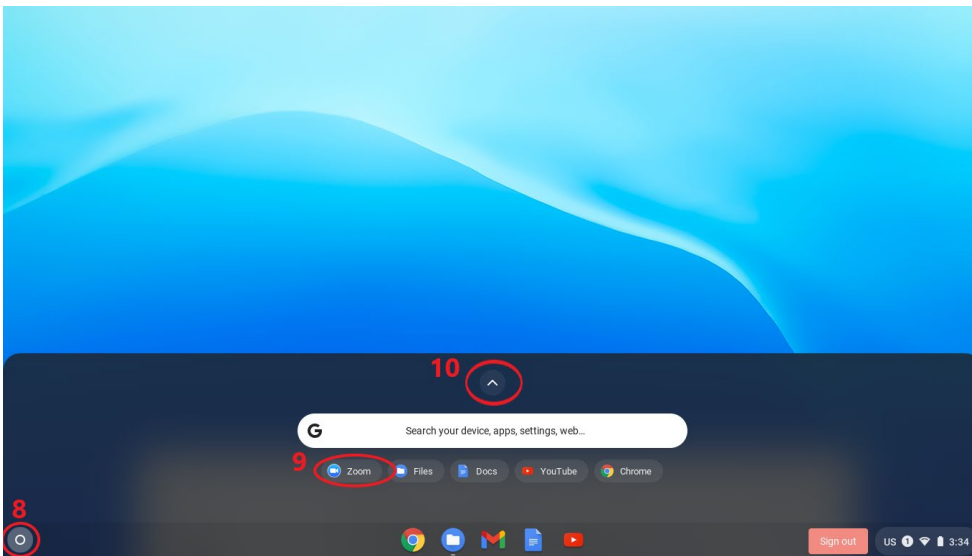

4 In the 'Add "Zoom"?' window that comes up select 'Add app'

6 Select 'Launch app'

7 In the 'Meeting ID or Personal Link Name' window you can now enter the ID number that your teacher will send you.

8 In future when you select the Launcher,

9 Zoom should be visible.

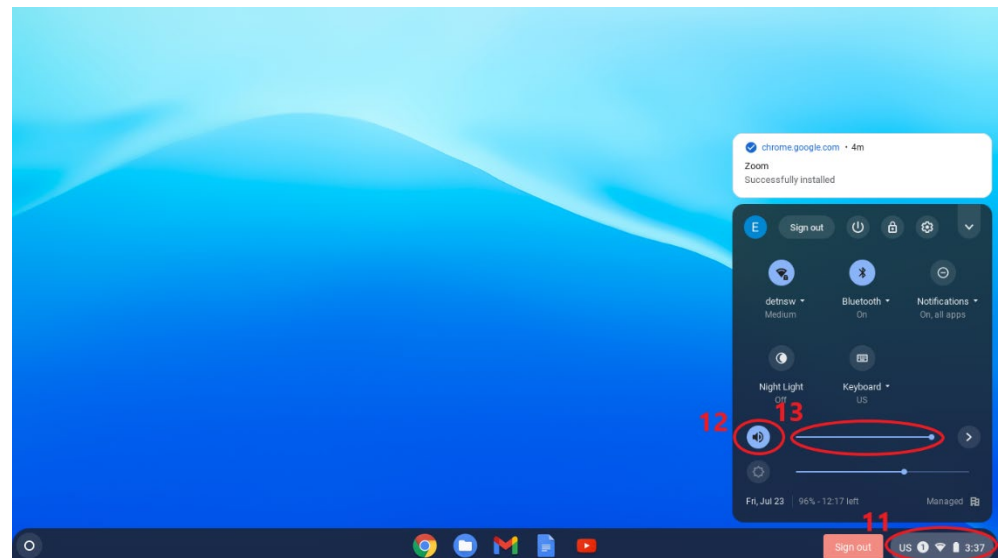

10 If you can't see it select the up arrow and look for Zoom there.

In your meeting you may not be able to hear the teacher.

11 Select the Taskbar at the bottom right of the screen.

12 Make sure the sound is not muted.

13 Move the level all the way to the right to increase the volume.

Lots of luck and if you have any problems please let Mrs Bateson know.
