

Volunteer Ethics Teachers needed at Avalon Public School

We are currently seeking volunteers to join our team of Ethics teachers for 2021.

Ethics teachers receive full training from Primary Ethics, the not-for-profit organisation approved to design curriculum and training for the ethics program. Suitable volunteers have an interest in children's education and development of critical thinking skills and must be available for half an hour once per week. All lessons materials are provided.

In ethics classes, children learn how to think logically, disagree respectfully and support their arguments with evidence.

Children discuss topics such as:

- imagining how others feel
- how do we treat living things?
- what is laziness?
- how do we disagree in a respectful way?
- fairness

If you are interested in making a difference, please contact the volunteer Ethics Co-ordinator, David Bartolo, on david.bartolo@tafensw.edu.au or 0407371338.
