

12 June 2024

Dear Parents and Carers,

We are pleased to inform you that as part of our Stage One students' "Happiness Through Helping" unit of work, we have organised a visit to the Pittwater Palms Retirement Village. This visit is aimed to foster a sense of community, empathy, and joy through interaction with the residents.

Students will walk with their teacher and two parent helpers to Pittwater Palms. They will engage in various activities such as reading, sharing stories, and participating in simple games with the residents.

Each Stage One class will be going on a different date, and this will be communicated to you separately once the dates are finalised.

We believe this experience will be highly beneficial for our students, offering them an opportunity to understand the value of helping others and making a positive impact in their community.

If you have any questions or need further information, please do not hesitate to contact the school office.

Thank you for your support.

Warm wishes,

Stage One Teachers  
Avalon Public School

Bianca Howarth  
Deputy Principal
